

NAHARKATIA COLLEGE

ALUMNI'S FEEDBACK ANALYSIS REPORT FOR THE YEAR 2022-23

Established in 1964, Naharkatiya College is on an endeavour to help students realise their dreams, offering assistance, spotting talent, and developing potential to inspire students to pursue their passions and turn them into successful professionals.

The College has produced a group of brilliant Alumni who have made the institution proud by showcasing their success in various fields. The Alumni feedback is therefore an endeavour to embark on a road for further improvement of the institution by considering the opinion of experienced ex-students.

As was done in the past years, the Alumni of the College are provided with the feedback forms to record their feedbacks and suggestions. The IQAC department handles the dissemination and distribution of feedback forms and collecting of completed feedback forms.

Goals of Alumni's feedback on the institution:

There are three basic goals for Alumni feedback:

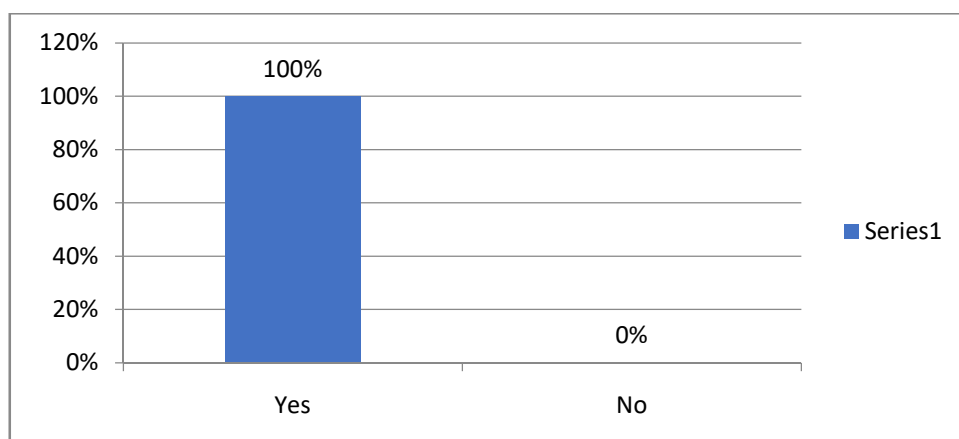

1. To enhance the quality of services provided by the institution based on the suggestions and feedback given by the experienced ex-students.
2. To evaluate the academic program's performance considering Alumni's expectations.
3. To offer faculty members feedback to enhance curriculum delivery and/or content

Cornerstone of Alumni's Feedback Form:

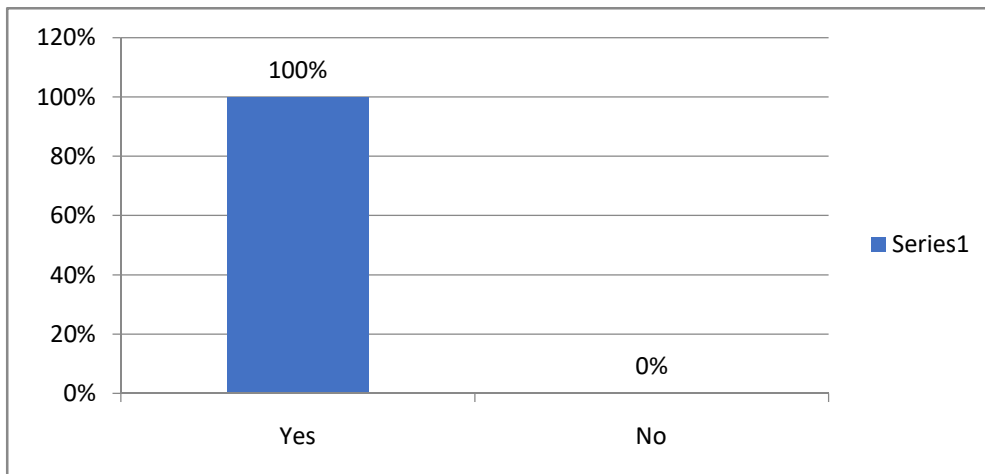

The following concerns are highlighted on the Alumni feedback form:

1. Satisfaction of the Alumni with the efforts taken by the College to connect with them.
2. The hospitality provided to the Alumni after passing out of the institution.
3. The opinion of the Alumni regarding the infrastructure facilities of the college.
4. The overall experience of the Alumnus in the college.
5. The overall opinion of the Alumni on the facilities provided by the college.

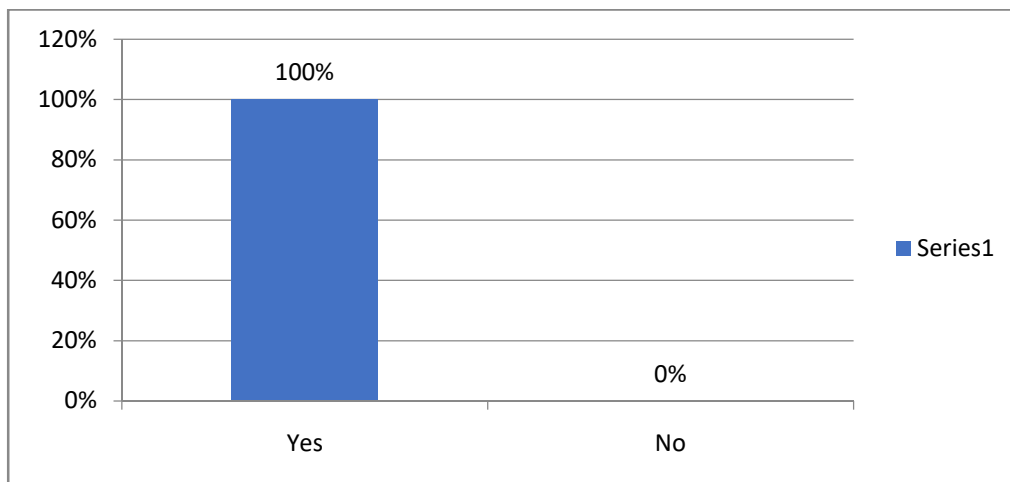

Are you satisfied with the efforts taken by the College to connect the Alumni?

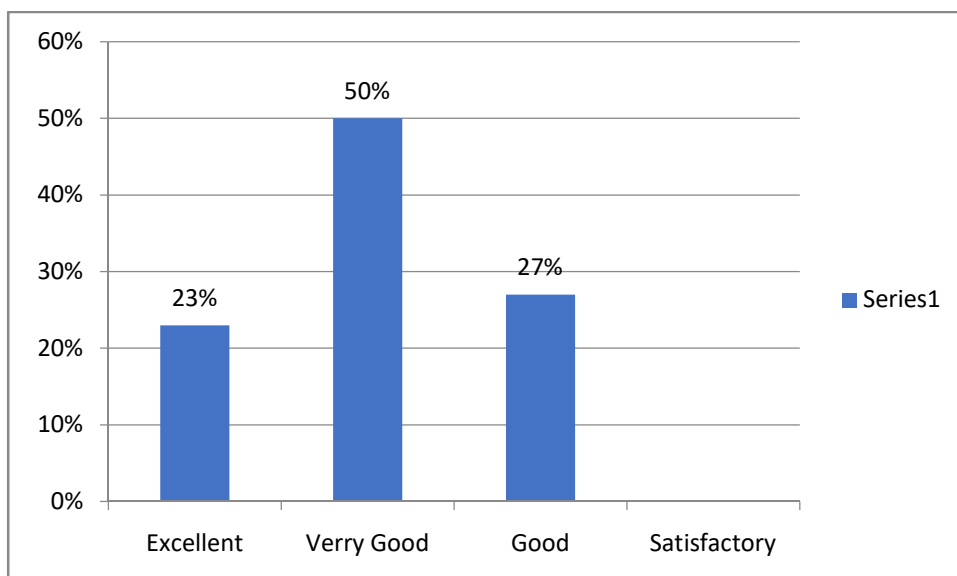

Would you like to contribute towards the development of the college?

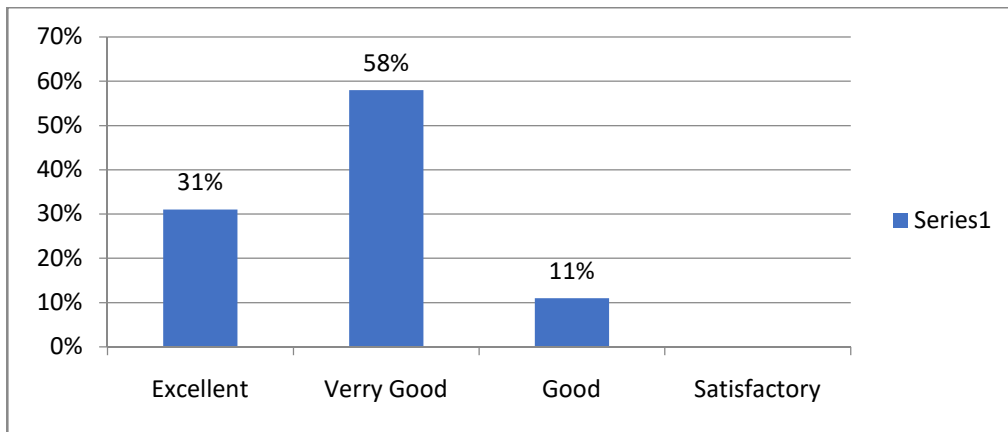

Does the institution provide good hospitality as Alumni after passing out?

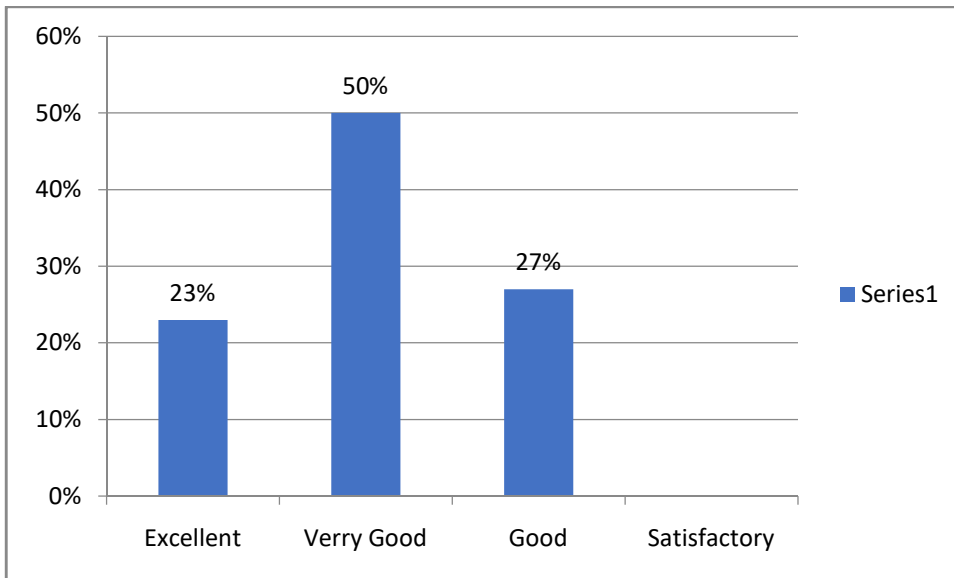

Infrastructure facilities

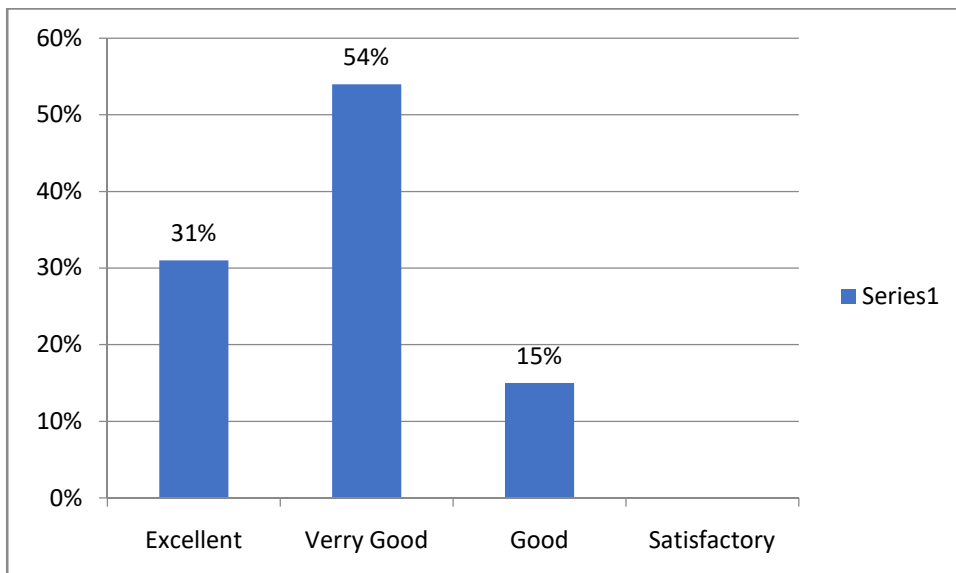

Teaching & Learning aids

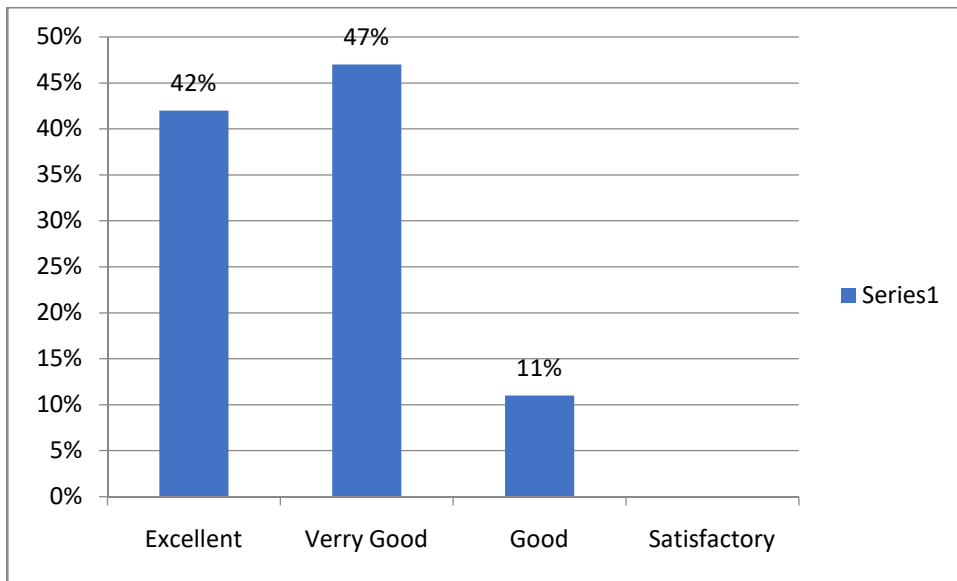

Academic & Entrepreneurship exposure

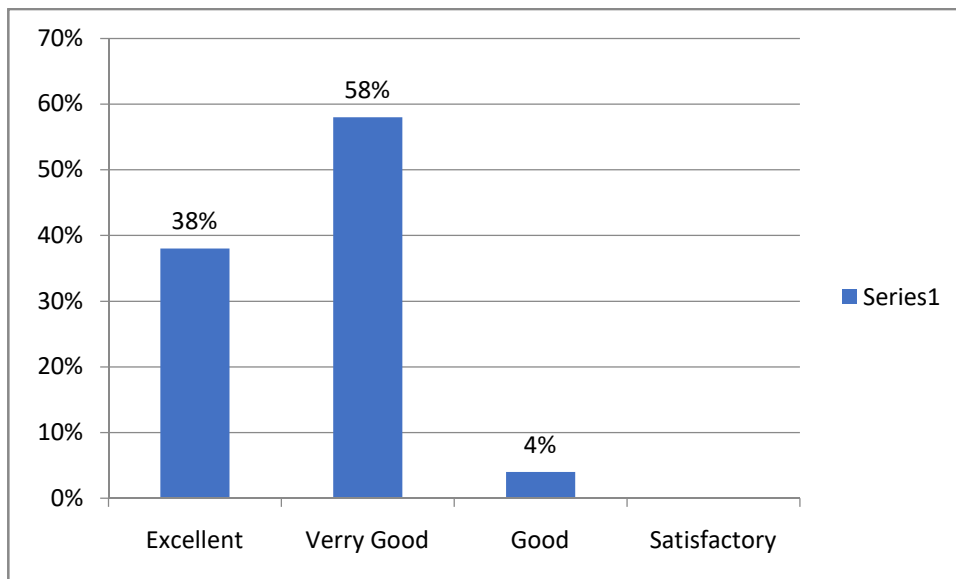

Extra-curricular activities
