E- Governance Policy

The college has been continuously trying to adopt e-governance policy in all aspects of operation of the college. There is a dedicated web page for administration management like, Adding/ Removing a Faculty, Career Advancement details and other important information. The college has adopted online admission system for students and it has also subscribed to office management software. The library is automated with KOHA software for library management and book circulation. The government funds are dealt with through the website provided by the Govt. of Assam. There are links to each academic department on the official website of the college, where various student support activities, like Internal Assessment, Syllabus, Question Paper, Student Seminars, and Activities etc. are uploaded for their information. Besides, there are areas where IT facility has been incorporated as listed below.
