Webinar on Behavioural Finance: A Curtain Raiser

Date: 30/06/2020

Time: 11 am-12 pm

Organiser

Resource person(s)

Dept. of Commerce, Naharkatiya College in
collaboration with LISPA, Assam

Prof. Amalesh Bhowal, Dept. of
Commerce, Assam University (Diphu
Campus), Diphu

Coordinator: Dr. Amlan Jyoti Sharma

Number of participants: 116

Webinar Report

Investment Behaviour of individuals is influenced by emotions and sentiments. But this phenomenon has been overlooked by the traditional finance theories, which are basically based on mathematical theories of return and risk assumptions. Behavioural finance is a nascent development in the area of investment behavior study. The webinar has enlightened the minds of the participants about various investment biases of which they fall prey to either knowingly or unknowingly during their decision making process. The resource person also highlighted the recent studies in this field both at national and international level.

Webinar on Importance of Mental Health of the Students for Leading a Well-balanced Life

Date: 02/07/2020

Time: 11 am

Organiser

Resource person(s)

Dept. of Education, Naharkatiya
College in collaboration with
LISPA, Assam

Dr. Indrani Kalita, Asst. Professor, Dept. of
Education, Krishna Kanta Handique State Open
University, Guwahati

Coordinator: Dr. Anita Mahanta

Number of participants: 397

Webinar Report

Mental Health is a state of well-being in which the individual realises his or her own abilities, can cope with the normal stresses of life, can work productively and fruitfully, and is able to make a contribution to his or her community. Mental health problems can affect many areas of students' lives; reducing their quality of life, academic achievement, physical health, and satisfaction with the school/college experience, and negatively impacting relationships with friends and family members. These issues can also have long-term consequences for students, affecting their future employment, earning potential, and overall health. In the webinar importance of mental health awareness, issues related to mental health of students, various cases of mental illness among students of the state and of the country has been highlighted. The resource person also focussed on the role of parents, teachers and students themselves towards maintaining mental health of students.

Webinar on Indian Economy and Covid-19 Pandemic

17/07/2020

Time:11 am-12 pm

Organiser

Dept. of Economics, Naharkatiya
College in collaboration with
LISPA, Assam

Resource person

Dr. Amarjyoti Mahanta, Head & Associate Prof.,
Dept. of Economics, Dibrugarh University,
Dibrugarh

Coordinator: Mr. Diganta Tamuli

Number of participants: 160

Webinar Report

In his deliberation, Prof. Mahanta, described how shutdown of several economic channels, reverse migration of workers resulted to disruptive situation of the economy in the pandemic scenario. He also explained how pandemic induced supply chain disruptions, stalled economic activities and rising food price resulted in inflation. He also highlighted the deteriorating condition of marginal labourers, small farmers and small businessmen.

To overcome this situation he suggested modernized technology to increasing production, agro processing, and diversifying crops. He also suggested creating modern rural infrastructure and integrated value chain system.
